Social Responsibility Award

Social Responsibility Award

- The Stimami, Sterilisami program (native Papiamentu for Love me. Sterilize me). This new community outreach has provided much-needed spay and neutering surgeries along with microchipping for homeless dogs and cats in Aruba.
- Making sterilization more affordable by significantly reducing the price of surgery for pet owners and organizations caring for homeless animals.

Social Responsibility Award

- Jus' Sail Ltd., St. Lucia offers unemployed at-risk youth between ages 18 and 25 the opportunity to gain hard and soft skills through training, certification and experience in areas such as swimming, First Aid and CPR, customer service, team building, leadership, personal brand development and communication.
- The various components work synergistically to enhance the individual's attitude, knowledge base, skill set and ability to offer themselves to any local company as a valuable team member.

Social Responsibility Award

- Under the BHTA's Schools Tourism Education Programme (STEP), Ocean Two set up relationships between tourism businesses and schools, to forge closer community links.
- In addition to adopting the Sterling's Children Home, the resort has also partnered with the Variety Children's Club. The resort has sent contributions to hurricane affected countries and pays the utility bills of Barbadian families in need. Its community beach cleanup efforts are paired with its protection of sea turtles which makes the hotel's beach their home.

Social Responsibility Winner
